

Raising funds for...  
**BabyBasics**

Do you have any old printer cartridges or mobiles that you no longer need or use?  
THEN why don't you recycle them for Baby Basics MK?

Baby Basics MK are a charity dedicated to helping Families in need. They care for teenage mums, people seeking asylum, women fleeing abusive situations including trafficking and much more.

They rely on the public donation of the items they are most in need of in order to continue their support. However they are constantly handing out much more than they are taking in.

Recycling is a great way of raising funds to help Baby Basics MK continue to help families in need.

Did you know;

- More than 30 million inkjet cartridges are dumped each year in the UK (1800 tonnes)
  - Each inkjet can take up to 1000 years to decompose.
- On average, in the UK, mobile phone users upgrade their handsets every 18 months
  - It is thought that only 20% of these are ever reused or recycled
